Our Quilt Show Program will be created on 8 ½ x 11” paper and then folded in half. Each page will be 5 ½” wide and 8 ½” tall, to allow for margins, requested camera-ready art sizes are shown.

Camera ready ads should be submitted with payment by June 1, 2010. The guild reserves the right to make any necessary minor printing adjustments to ads to prepare the show program (enlarge/reduce to fit). Be aware that if you submit a business card it will be printed sideways to fit the slot. Black and white art work works best.

Regarding whole page ads, please note that if your camera ready art and payment are received after your request advertising space has been filled (ex. Cover Pages), your ad will be placed in the next available spot and the difference in fee amounts will be refunded to you.
